Dear John,

Enclosed is Brewster Kahle's paper entitled, "Wide Area Information Servers: An Executive Information System for Unstructured Files" for the Australian Academy of the Humanities conference on April 14th. I have enclosed a hard copy, as well as a 3 1/2" floppy of the paper in MicroSoft Word version 5.0.

If there is anything else you need for this conference, please let me know.

Sincerely,

Barbara Brooks
